

CHI Health[™]

St. Elizabeth/Nebraska Heart Foundations

Doctors' Day

2021 Giving Opportunities

Emergency Relief

CHI Health Emergency Relief funds provide necessary support to our nurses, physicians, caregivers, and staff, and may be used for caregiver wellbeing, resiliency support, coaching for hospital and clinic staff, medical supplies, food, and other needs.

Nebraska Heart Surgery Department

This fund provides support for cardiac surgery at the Nebraska Heart hospital.

Patient Emergency & Hardship Charity Care

CHI Health Emergency Relief funds provide necessary support to our nurses, physicians, caregivers, and staff, and may be used for caregiver wellbeing, resiliency support, coaching for hospital and clinic staff, medical supplies, food, and other needs.

St. Elizabeth Emergency Department

This fund is used to provide support for the emergency department including education, equipment, and other programmatic needs.

St. Elizabeth Neonatal Intensive Care Unit (NICU)

This fund is used to provide support for the NICU, including training, equipment, and other needs.
