

Welcome to Medicare

Join us for Community Rounds

Tuesday, July 30

4 – 5 p.m.

St. Elizabeth Rose/Franciscan Rooms, lower level

As you approach Medicare eligibility, you will soon realize the complexities and confusion that often come with the Medicare program. Medicare is a program that is made up of ever-changing parts, countless dates, and specific rules depending on your situation. Because of the complexity of the program, many newly-eligible individuals find themselves lost in a Medicare maze. One wrong turn can end up delaying your coverage or even preventing enrollment to certain parts of Medicare.

You'll receive answers to your questions from Senior Health Insurance Information Program (SHIIP) Administrator, Alicia Jones.

Welcome to Medicare presentation will cover the following:

- Overview of Medicare Part A, B, C, and D coverage as well as Medicare Supplements
- Delaying Medicare Enrollment
- Enrollment and Eligibility Deadlines
- Qualifying for Extra Help to pay for Prescription Drug Costs
- Experts from the Nebraska SHIIP will be on hand to answer questions

Please RSVP to 402-219-7052 or efrerichs@stez.org
