

Omaha Foundations 2021 Funds

General funds for each location are used for the following:

General Equipment: Used to purchase, upgrade, or maintain equipment and other items to support hospital operations, enhance patient care, aid in research, and increase staff productivity.

General Programs: Used to Support programs that are focused on enhancing patient care, staff productivity, and bettering the community we serve, in line with our mission.

General Technology: Used to purchase, upgrade, or maintain hardware and software applications, to aid in patient care, research, and staff productivity.

CUMC-Bergan Mercy

General Equipment General Programs General Technology

Patient Assistance: This fund benefits patients treated at CUMC-Bergan Mercy facilities by providing assistance for prescription medications, transportation, and other health related needs for patients who qualify.

Professional Development: Funds will support staff education and training.

Radiation Oncology 3-D Printer: As 3-D printing becomes more prevalent, its use in the field of radiation oncology presents several new exciting advancements. 3-D printing allows for the creation of highly specific patient molds to match one's exact anatomy. The ability to create such highly customizable accessories can better enhance a patient's radiotherapy.

Immanuel

General Equipment General Programs General Technology

Patient Assistance: This fund benefits patients treated at Immanuel facilities by providing assistance for prescription medications, transportation, and other health related needs for patients who qualify.

Professional Development: Funds will support staff education and training.

Lakeside

General Equipment General Programs General Technology

Cancer IQ System: A software program that helps healthcare providers use genetic information to predict, preempt, and prevent cancer. The CancerIQ program also helps to diagnose and track hereditary cancer.

Patient Assistance: This fund benefits patients treated at Lakeside facilities by providing assistance for prescription medications, transportation, and other health related needs for patients who qualify.

Professional Development: Funds will support staff education and training.

Mercy Council Bluffs

General Equipment General Programs General Technology

McDermott Therapy Garden: This fund supports a new space for our behavioral and mental health patients to improve the quality of care and enhance the healing process by using the restorative power of nature. The garden will also allow for unique programming beneficial to our patients, including group therapy sessions, yoga, meditation, gardening, group exercise, and more.

Patient Assistance: This fund benefits patients treated at Mercy Council Bluffs facilities by providing assistance for prescription medications, transportation, and other health related needs for patients who qualify.

Midlands

Omaha Foundations

General Equipment General Programs General Technology

Clinical Pastoral Education (CPE): CPE is professional education for ministry with people in crisis. CPE participants are clergy, lay ministers and seminarians who serve in CHI Health facilities as chaplain residents and interns. The purpose of this fund is to provide tuition assistance to participants who meet the criteria.

Omaha Foundations

End of Life Comfort Care: This fund will provide comfort carts that have supportive reading materials, music, and light refreshments for families so they do not have to leave their loved one's bedside.

Faith, Hope, & Love: The purpose of Faith, Hope & Love is to provide emergency financial assistance to your fellow workers during times of need. Funded exclusively by employee contributions, this fund is administered by CHI Health to current employees who meet the criteria.

Forensic Nurse Examiner Program: The program seeks to reduce the physical and psychological trauma of sexual assault, human trafficking and domestic violence through sensitive and timely medical examinations performed by specially trained nurse examiners.

Infant Bereavement: This fund supplies grief support resources to patients and their families who experience the loss of a baby during pregnancy, at birth or shortly after birth. Funds are used to purchase memory boxes, keepsake items, semi-annual memorial and committal services, and burial assistance on a limited basis.

Tanzania Ministry

Machame School of Nursing: Your gift will help with the cost of tuition, room and board. A full scholarship is \$1,700.
