2023 Annual Campaign

Campaign Funds

Good Samaritan

Family Assistance: Funds provide assistance with food, hotel, transportation, and other needs for patient's families.

Good Sam: The purpose of the Good Sam fund is to provide emergency financial assistance to your fellow workers during times of need. This fund is administered by CHI Health and is available for current employees who meet the criteria.

Healthcare Scholarship: Funds provide annual healthcare career scholarships to applicants enrolled in healthcare programs.

Pediatric Simulation Manikin: The Good Samaritan Foundation received a grant to replace the current adult simulation manikin. Additional funding is needed to purchase a pediatric manikin, to provide a teaching method with hands-on practice that replicates real-life scenarios. This benefits the entire care team.

Richard Young Hospital

Funds provide support for patient assistance (medications, transportation, and other health related needs), and can also be used to support hospital operations, aid in research, increase staff productivity, and other needs.
