- Capital Excellence:** Funds will be used to support improvement projects, capital improvements or other capital hospital priorities. A surgery scope system and ventilators are the types of patient-centric projects that donor support can help move forward at our hospital.
- Employee Emergency & Hardship:** This fund is used to provide emergency financial assistance to CHI Health employees during times of need.
- Growing Great Kids:** This fund supports families as they build healthy, safe environments for their children to grow and learn in, creating a community of compassionate, well-nurtured children. This fund provides a one-time well child visit, and home visits to families prenatal to age three.
- Hospital and Staff Support Endowment:** This fund will be used for future needs - to purchase, upgrade, or maintaining equipment and other items to support hospital operations and increase staff productivity.
- Patient Family Assistance:** This fund benefits patients treated at CHI Health St. Mary's by providing assistance for prescription medications, transportation, and other health related needs for patients who qualify.
